"Music and puppets! This is just for the kids, right?" Not exactly.

John and Diane's unique program offers enjoyment for every member of the family. They combine music, comedy, and teaching that together drive home the truths of scripture.

These musicians have a heart for family ministry. Their ten recordings include worship choruses, scripture songs, a Christmas album, and four musicals especially for children. They also have a puppet video "Hairy and Company-Backstage" which will be available at the concert. John and Diane have served on staff with Camp Forest Springs for over 30 years. They spend the summer at the camp, ministering to young and old alike. During the rest of the year, they travel as an outreach team throughout the United States and also abroad. They present a variety of programs, including women's conferences and retreats where Diane is the keynote Bible teacher.

"Hairy and Company" is a unique cast of unforgettable characters who offer enjoyment to every member of the family.
