FAQs for New & Returning MOPS Moms

What is MOPS? Mops is for women with children ages birth through kindergarten. We offer brunch, speakers with topics relevant to women and mothers, creative activities, small group discussion time and loads of new friends!

Is There Childcare? Yes, your children enjoy their own program, with caring MOPPETS leaders & volunteers. If you bring your child to MOPS all babies and children above the age of three months will be required to be in the MOPPETS program, so all moms can benefit from what our program offers.

Do We Pay for MOPPETS? No, we have been blessed with volunteers to watch our children during the meetings. But we need volunteers! If you know of a trusted individual willing to help in our children's program (home schooler, grandparent, neighbor, church member) please call Maria Rosso (763-250-8949). Just a one or two meeting commitment would help so much! This can save us from rotating moms in to share childcare needs (a.k.a. "Blessing Days" not to be confused with volunteer requirements).

What About Volunteer Requirements? Our Buffalo MOPS is self-supporting; therefore, we need you to help it run as efficiently as possible and ensure that no one person is overburdened. We ask that everyone volunteer three times during the year. Two times would be in childcare during our Mops planning meetings. The third time would be your choice. We realize that some moms are unable to meet this requirement. You may opt-out of childcare volunteering for an additional \$25. We ask for \$25 deposit checks from everyone. This check will only be cashed if your volunteer shifts are not completed.
